

Barnyard Play Update

Sunday June 28, 2020

In accordance with NYS Phase 4 guidelines, outdoor agritourism attractions are **permitted** to operate. We are implementing the following on-site safety protocols:

- Disposable gloves for patrons at hands-on activities
- Frequent disinfecting of activities and high traffic surfaces
- Newly renovated Barnyard restrooms sanitized on a regular schedule throughout the evening
- (4) hand-washing stations with running water
- Hand sanitizing stations throughout Farm with approved 60% alcohol based hand sanitizer
- Seating benches and tables placed 6 ft apart
- Attendance for event limited to less than 33% of the farm's capacity
- Guests are encouraged to wear masks but are not required to, except when a 6 ft social distance from other patrons or farm employees cannot be kept
- Employee temperature checks and masks
- Some attractions that are difficult to sanitize between uses will not be operating
